A Special Note About Phones:
Often, phones are not allowed at events like YTH WKND, as they can be a distraction. However, thinking of guests who are not familiar with church, we are allowing phones to be kept for YTH WKND.

However, we'll have strict rules for them. **They must be turned off in the following instances:** Small groups, worship services, after lights out, anytime a leader says so.

Churches attending YTH WKND may have their own rules reguarding phones.
